

Cut and Fade II

String Quartet and Vibraphone

Craig Bove

Notes to the Performers:

Please observe dynamics as closely as possible - particularly the placement of the crescendo and decrescendo markings. Dynamics (crescendi/decrescendi) do not necessarily need to be regimentally aligned with the beat. They should however occur roughly according to the crescendi/decrescendi markings placement on the page. Overall dynamics may be adjusted to the acoustics of the performance space, balance, player skill, and expressive requirements. A conductor is suggested.
